Subject: NOV for Greenleaf Power Plant

Hello Roshni Brahmbhatt,

My name is Mariela Loera, I am a Policy Advocate at Leadership Counsel for Justice and Accountability based in the Eastern Coachella Valley office. I am part of the Community Steering Committee (CSC) as part of the AB 617 effort with the South Coast Air Quality Management District.

I wanted to follow up with you on the presentation you gave in our last CSC meeting (June 23) related to the Greenleaf Power Plant and ask if you can share the Notice of Violation the EPA issued to them as discussed during the meeting.

Best,

Mariela
